

Baptismal Application

Water baptism is a step of obedience to God. In Acts 2:38 the Bible says “Repent and be baptized.” People who have repented of their sins and turn to Jesus should take that next step- water baptism. By baptism you are publicly declaring the decision you have made to be a disciple or follower of Jesus Christ. It’s a really big step in your spiritual life to openly come and proclaim your allegiance to the Lord.

You must meet with the Pastor prior to the date of the baptism; he will further explain the baptismal process and answer any questions. You will also be contacted about a time to video tape your testimony before the baptismal service.

1. What to wear? You can wear most anything- jeans, shorts, bathing suit (nothing see-through please). Modesty is the key word! When you make your testimony video you’ll receive an “I have Decided” tee shirt to wear at the baptismal service. Also bring a towel and change of clothes for afterwards.
2. When you get in to the pool the Pastor will introduce you and your video will then play.
3. The Pastor will ask you two questions:
 - Do you know the Lord Jesus as your personal Savior?
 - Is it your desire to be His disciple and to follow Him in all that you say and do?
4. You will be baptized in the name of the Father, Son and the Holy Spirit.
5. At this time you will walk out of the pool. A deaconess will give you your towel and you can make your way to the restroom to change.
