

Downloading the
Church Center App

Get the Church Center app on your mobile device.

- 1. Search "Church Center" in your app store.**
Church Center App for IOS/App Store
Church Center App for Android/Google Play
Find the app with a logo matching the one in the upper right-hand corner.
- 2. Download and install the app and click on "Get Started".**
- 3. To find Lewisburg Alliance Church, allow the app to access your location or manually search for the church by name.**

Get the Church Center app (continued):

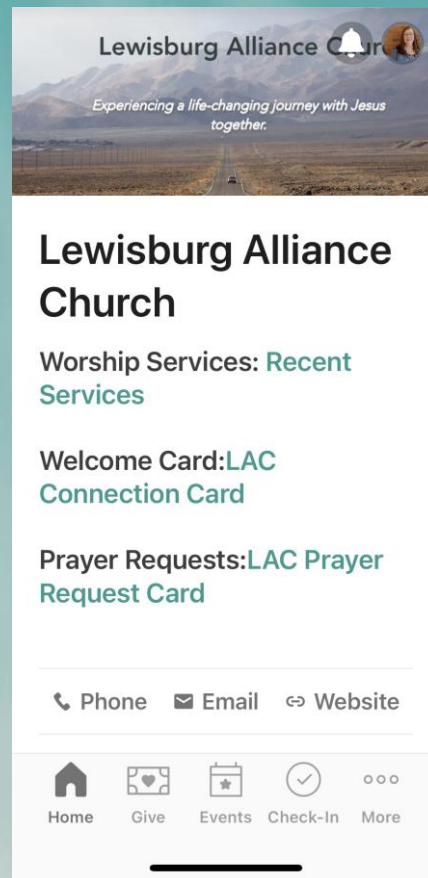

4. Click on our church name and select, "This is my church."
5. Next, you'll be prompted to enter your phone number (or email if you prefer). Enter the six-digit code you receive back via text (or email if you choose that option).
6. If you are already have a profile set up (from serving, being in a small group, registering for an event, filling out a connection card, etc.) your user profile should appear.
7. If you don't already have a profile, you can create one at this point by adding your name and email.

Get the Church Center app (continued): And that is it! You can now start using the app!

The Home Screen should look similar to this:

The bell icon indicates messages

The profile icon or your picture can be clicked to update your profile information *(Be sure to include photos of yourself and your family!)*

Watch online or recent services

Complete a connection card

Complete a prayer request card

Click to access our website, phone number and email

Click on the "More" icon to see other options

After you click on "More" this screen should appear:

	Groups	←	To sign up for different groups
	Watch	←	Access recent sermons
	Directory	←	Access the Church Directory
	Calendar	←	Access the Church Calendar

These icons appear at the bottom of the home screen:

Give - to give to LAC online

Events - Register for upcoming events

Check-in - Check your kids/youth into events

**There are a lot of other great things
you can do with the Church Center
app.**

**Download the app today and have fun
exploring!**
