

Using the Church Center App for Groups

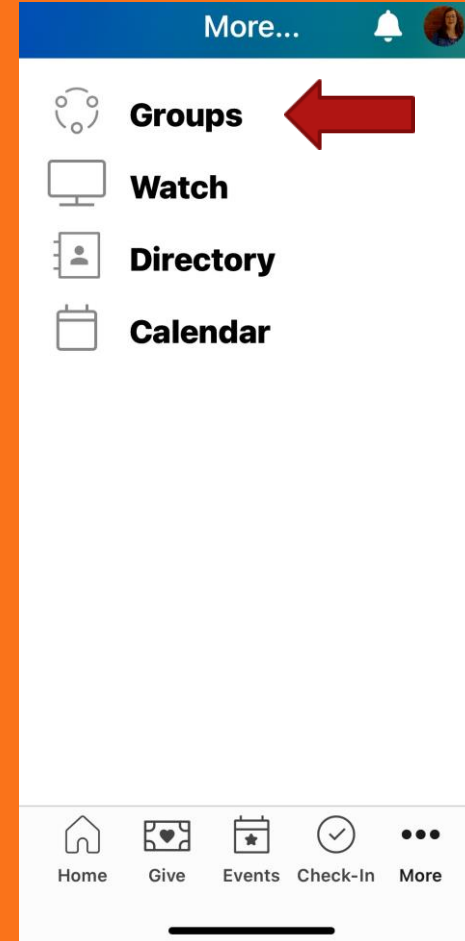

You can use the Church Center app to find groups such as Small Groups, Bible study, and your Shepherd group.

To join a group open the Church Center app. (If you don't have the app, refer to the instructions on how to download and install it.)

Click on Groups

The screen that appears first will list "My Groups" which is a list all of the groups you are currently a member of.

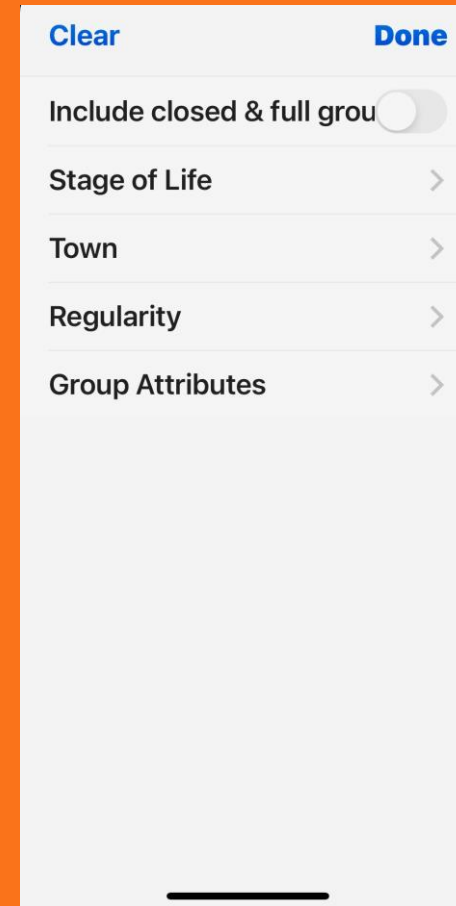

Scroll down the page to "Find a Group" and click on the type of groups you are interested in joining. For our example, we will use Small Groups.

Click here

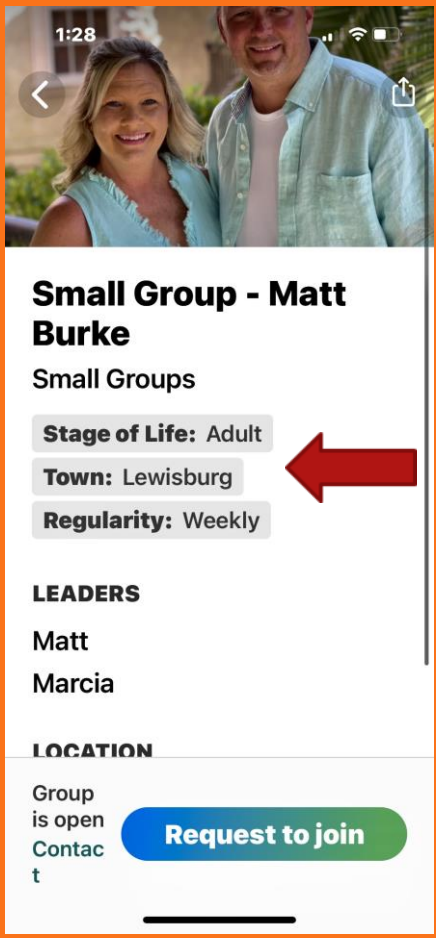

Click on the search bar to open the list of attributes that each group has to better to aid in finding the right fit for you.

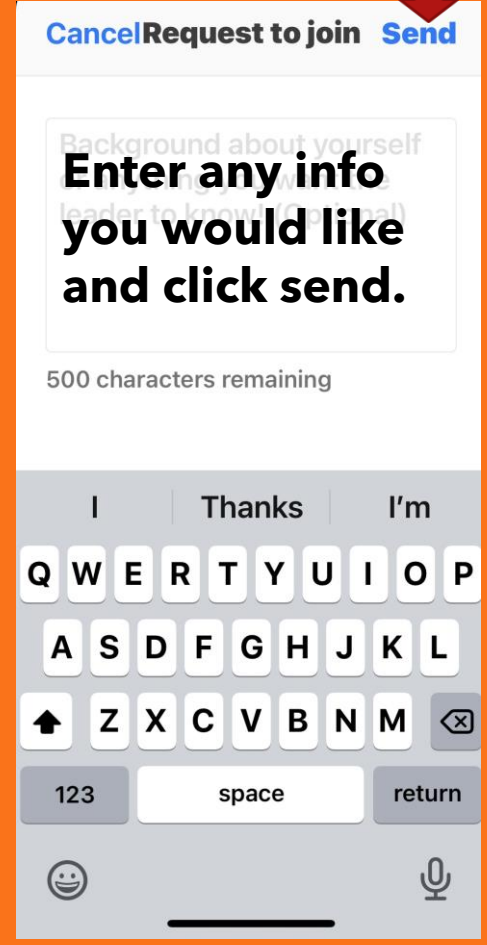

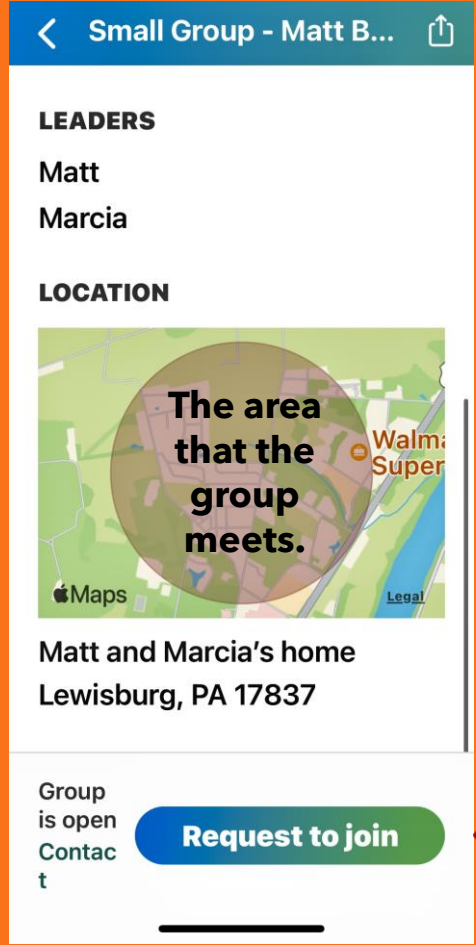

Click on these attributes and choose those to use as a filter for the groups that work for you.

Once the list is narrowed down, choose the group that you would like to join.

Scroll down to see the approximate location that the group meets at. Just click "Request to Join," and enter the info you want to send, and click on "Send."

Group attributes

Once you ask to join a group, the group leader will get back to you and you will be able to see the scheduled events taking place in the group, other group members, and resource materials used by the group. You will also be able to message your group members in the app.

**So join a group!
You'll be so glad
you did!**
